

## Kasasa Cash®, Kasasa Cash Back®, and Kasasa Saver® Truth In Savings Disclosure

This disclosure contains the rules that govern your deposit account as of October 5, 2016.

### Kasasa Cash®, Kasasa Cash® with Kasasa Saver®:

<b>Account Description</b>	
<b>Kasasa Cash®:</b>	A free, variable rate share draft account with no minimum balance that rewards accountholders with dividends and nationwide ATM fee refunds when they meet minimum qualifications during the account's Monthly Qualification Cycles.
<b>Kasasa Saver®:</b>	A free, variable rate, deposit account with no minimum balance that rewards accountholders with dividends when they meet the minimum qualifications associated with their linked Kasasa Cash checking account during each Monthly Qualification Cycle.
<b>Mutual Credit Union's Expectations</b>	
<b>Purpose &amp; Expected Use:</b>	<p>The Kasasa Cash account that is linked to Kasasa Saver account is intended to be the accountholder's primary share draft account in which payroll transactions and day-to-day spending activities including but not limited to grocery, gasoline, apparel, shopping, dining, sporting and entertainment transactions are posted and settled.</p> <p>Commensurate with the spending activities identified above, we expect the account's debit card to be used frequently throughout each month and for transaction amounts to reflect a wide dollar range. Small debit card transactions conducted on the same day at a single merchant and/or multiple transactions made during a condensed time period particularly near the end of a Monthly Qualification Cycle are not considered normal, day-to-day spending behavior. These types of transactions appear to be conducted with the sole purpose of qualifying for the account's rewards and thus will be deemed inappropriate transactions and will not count toward earning the account's rewards.</p> <p>Mutual Credit Union reserves the right to determine if the account is being maintained for a purpose other than day-to-day, primary use. Accountholders who persist in making debit card transactions in a calculated and limited fashion in order to meet their monthly qualifications may have their accounts converted to a different share draft account or closed altogether. We also reserve the right to convert the account to a different share draft account if the account does not have consistent active use over 6 consecutive Statement Cycles. The linked Kasasa Saver account will also be converted or closed if the Kasasa Cash account is converted or closed.</p> <p>We have the right to close this account at any time, with proper notice. Our decision to close the account will not affect your existing obligations to us including any obligation to pay fees or charges incurred prior to termination. No deposits will be accepted and no checks will be paid after the account is closed.</p>

	<p>If the account is closed, you will forfeit any rewards that have not been credited to your account. A Mutual Credit Union check for the remaining balance, if applicable, will be mailed to accountholder at the address indicated on our current records. Upon termination of your Kasasa Cash account, any optional add-on products / services associated with this account will also be terminated at the same time.</p>
<p><b>Dividend &amp; Annual Percentage Yield</b></p>	
<p><b>Compounding &amp; Crediting:</b></p>	<p>Dividends will be compounded on a monthly basis. Dividends will be credited to your account on the last day of the current Statement Cycle. If you close your account before the dividend is credited, you will not receive the accrued dividend. Dividends begin to accrue on the Business Day you deposit noncash items (for example, checks). "Business Day" means a Monday, Tuesday, Wednesday, Thursday, or Friday, except when those days are holidays.</p>
<p><b>Balance Computation Method:</b></p>	<p>We use the average daily balance method to calculate the dividends on your account. This method applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period. The period we use is the Statement Cycle.</p>
<p><b>Dividend Rate &amp; Annual Percentage Yield:</b></p>	<p>When Kasasa Cash qualifications are met during a Monthly Qualification Cycle,</p> <ul style="list-style-type: none"> <li>• Kasasa Cash: A dividend rate of 2.00% will be paid on the portion of your average daily balance that is less than or equal to \$5,000 and the non-compounding annual percentage yield* for this tier is 2.00%. An dividend rate of 0.20% will be paid on the portion of your average daily balance that is greater than \$5,000.00 resulting in non-compounding annual percentage yield for this tier ranging from 2.00% to 0.29%, depending on the account's balance and</li> <li>• Kasasa Saver: A dividend rate of 0.30% will be paid on the portion of your average daily balance that is less than or equal to \$5,000.00 and the annual percentage yield for this tier is 0.20%. A dividend rate of 0.20% will be paid on the portion of your average daily balance that is greater than \$5,000 resulting in annual percentage yield for this tier ranging from 0.30% to 0.20%, depending on the account's balance.</li> </ul> <p>When Kasasa Cash qualifications <u>are not met</u>,</p> <ul style="list-style-type: none"> <li>• Kasasa Cash: the dividend rate paid on the entire balance will be 0.01% with a non-compounding annual percentage yield of 0.01%.</li> <li>• Kasasa Saver: the dividend rate paid on the entire balance will be 0.01% with an annual percentage yield of 0.01%.</li> </ul> <p>* Interest in Kasasa Cash does not compound if you have a Kasasa Saver account because it is automatically transferred to the Kasasa Saver account. Note: Automatic transfer may cause an overdraft to your Kasasa Cash account, if the account's balance is less than the transferred amount when transfer occurs.</p>

<b>Account Qualifications</b>	
<b>Qualifications:</b>	<p>To earn your rewards just do the following transactions and activities in your Kasasa Cash account during each Monthly Qualification Cycle:</p> <ul style="list-style-type: none"> <li>• Have at least 12 debit card purchases post and settle</li> <li>• Be enrolled in and agree to receive e-Statements</li> <li>• Be enrolled in and log into online banking</li> </ul> <p>For clarity, in order to count as a qualifying transaction for the purpose of earning the account's rewards debit card purchases must be post and settle within the Monthly Qualification Cycle. Transactions and activities may take one (1) or more Business Days from the date the transaction or activity occurred to post and settle to the account. The following activities do not count toward earning account rewards: ATM processed transactions, transfers between accounts, debit purchases processed by merchants and received by our credit union as ATM transactions, non-retail payment transactions and purchases made with debit cards not issued by our credit union. Transactions bundled together by merchants and received by our institution as a single transaction count as a single transaction for the purpose of earning account rewards. "Monthly Qualification Cycle" means a period beginning one (1) Business Day prior to the first day of the current Statement Cycle through one (1) Business Day prior to the close of the current Statement Cycle. "Statement Cycle" means the period of time for which Mutual Credit Union provides a summary of the financial activities and transactions that post and settle to the accountholder's account.</p>

If you have not received an appropriate reimbursement, we will adjust the reimbursement amount if we receive the transaction receipt within sixty (60) calendar days of the withdrawal transaction.</p>	<p>nationwide ATM fees are not reimbursed.</p>
<p><b>APY:</b></p> <p><b>Reward Distribution:</b></p>	<p>APY = Annual Percentage Yield. Rates and rewards are variable and at our discretion may change after account is opened without notice to you. Fees may reduce earnings. APY calculations are based on an assumed total account balance of \$5,000.00 plus \$100,000.</p> <p>Dividends and ATM fee reimbursements will be credited to the account on the last day of the current Statement Cycle. If you have a Kasasa Saver account, all Kasasa Cash rewards are automatically transferred to the linked Kasasa Saver account within one day. Note: This transfer may cause an overdraft to your Kasasa Cash account, if the account's balance is less than the transferred amount when the transfer occurs. No minimum balance is required to earn or to receive the account's rewards. Rewards less than a penny cannot be distributed.</p>
